FY2021 Funding and Legislative Requests

With more than 1,500 miles yet to be built, the North Country National Scenic Trail is at a critical stage in its development, needing your support and action on these funding and legislative requests.

SUMMARY OF REQUEST

ONPS funding at the requested level would enable the National Park Service to continue to administer the trail, providing oversight for planning the route and critical resources to volunteers. We request reauthorization and full funding of the Land and Water Conservation Fund. Finally, we ask for your support of National Scenic Trails Parity Act, creating a level playing field among all National Scenic Trails managed by the National Park Service.

Federal Funding Requirements

- National Park Service base funding (ONPS) for the North Country National Scenic Trail for Fiscal Year 2021 of $2,000,000
- USDA funding for the North Country National Scenic Trail for Fiscal Year 2021 of $200,000

Land and Water Conservation Fund Requests (LWCF)

- Full funding of the Land and Water Conservation Fund, H.R.3195 and S.1081

Legislative Support

- Support in the Senate and House for the National Scenic Trails Parity Act. S.1027 and H.R.2090
