

## NORTH COUNTRY NATIONAL SCENIC TRAIL

The NCNST is one of our Nation's premier hiking and backpacking trails, extending 4,600 miles, linking outstanding scenic, natural, recreational, historic and cultural areas through New York, Pennsylvania, Ohio, Michigan, Wisconsin, Minnesota, and North Dakota. It is a trail administered by the National Park Service.

Partnering with the NPS, the North Country Trail Association (NCTA) is a nonprofit organization supported by members, who volunteered more than 77,000 hours of labor in the past fiscal year (2012-13).

- and more – you can help.
