

ANF – NCT Campsites by Section

Below are campsites and shelters that the ANF Chapter of the NCTA has marked and that they maintain, plus a few nearby campgrounds. Use this information along with the online interactive map found on the North Country Trail Association webpage at [NCTA maps](#) .

Other important camping information:

- This is NOT a listing of all the places you can camp in the ANF. Information and regulations on dispersed camping in the ANF can be found at [Allegheny National Forest Camping Regulations](#) .
- When you choose a site to camp, consider Leave No Trace Principles, trying to use already impacted sites away from water. Go to [Leave No Trace](#) for more information.
- Ticks can be a problem throughout the ANF, so avoid areas that might have more ticks. [Tips for Avoiding Ticks While Hiking](#) . Lyme disease info can be found at [Lyme Disease](#).
