

North Country National Scenic Trail

Section Map and Description

Chenango Street to Stone Quarry Road Cazenovia, NY

The 2.4-mile route from Chenango St. to Stone Quarry Rd. traverses wetlands and woodland, climbing nearly 400 feet to the top of Stone Quarry Hill with a scenic vista to the west. Though close to the Village of Cazenovia, the trail offers a secluded walk along small streams, mature forest and agricultural fields, with ample opportunity for birding and other wildlife observation. Side trails lead to the Hampton Inn, the Madison County

Distillery and the grounds of Stone Quarry Art Park. Trails behind the Distillery are groomed for winter snowshoeing and cross-country skiing. The Art Park has numerous outdoor sculptures to explore, and North Hill offers scenic views of Cazenovia and Oneida Lakes. This section of the North Country Trail (NCT) follows the route of the Link Trail. The trail is marked with blue rectangular blazes indicating the NCT and orange blazes indicating the Link Trail.
