

Land Acknowledgement Statement

The North Country Trail Association respectfully acknowledges the North Country National Scenic Trail rests on the ancestral and contemporary homelands of Indigenous peoples. We aspire to recognize those who inhabited and stewarded this land throughout history by treading gently, and treating these places with honor and respect.

Approved by NCTA Board of Directors March 2022

We invite you to join us in learning more about the Native lands and Indigenous communities near you, and history of the land on which you stand: **native-land.ca**
